**Searching the Law: A Selective Bibliography of State Practice Materials in the 50 States** Francis Doyle  
This revised two-volume set reproduces the easy-to-use, logically-organized format of Searching the Law for each of the 50 U.S. states. Arranged by state and by topic within each state, it features: a complete list of all the legal research materials available for each state jurisdiction; thousands of citations to the legal literature of each state; materials applicable to more than one topic listed under each topic; repeated listings under each state and topic where they apply; and author, title, publisher, format, and the latest known supplement for each citation. Searching the Law-The States is the companion text to Searching the Law. Together the sets form one of the most comprehensive, logical legal reference sources available. Published under the Transnational Publishers imprint.
