The Biblical Metanarrative: One God - One Plan - One Story Bill Jackson

The Biblical Metanarrative traces the storyline of the Bible from Genesis to Revelation. It is the triumphant story of God ruling as king over his realm. He does so for his own glory in an all-out war with Satan and his rival kingdom of evil. The key to God's ultimate victory is the incarnation of his Son, his life as the perfect human, his atoning death, and his resurrection, as the first fruits of those who will receive new bodies fit for life in the new Creation. Jesus' followers are currently living out Christ's commission to them to give every ethnic group the opportunity to repent and receive the holy and empowered life of the Spirit of God. This presentation's uniqueness is its selection of the stories that drive the narrative forward and the uncovering of the divine logic that connects those stories to make a sweeping whole, showing One God, One Plan, and One Story.
