The Real Battle Ray Beeson

There is a war going on. The Bible speaks of a powerful war in an unseen dimension, one that exists all around us. It is a war against "the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms" (Eph 6:12). The Scriptures make it clear that these powerful forces are actually demons and that they are out to destroy every human being on earth. But instead of being afraid of them, they should be afraid of the Christ who lives within us. That, however, isn't always the case. As a result many people live defeated, fear-filled lives. Much of the problem has to do with "understanding." Nobody fights a war effectively unless they know who and what they are fighting. In *The Real Battle* you will find strategies that will help you to better understand this "unseen war." You will learn how the enemy attacks us, how God wants to prepare us for offensive warfare, how we can smash satanic strongholds, how to recognize doctrines of demons, and much more. You will also learn that not everything bad in life is caused by a demon. We are often the cause of many of the difficult circumstances we face. But God has a plan for whatever it is that we are up against. Ray Beeson and his wife, Linda, live in California. He is director of Overcomers Ministries and travels and speaks extensively on the subjects of spiritual warfare and prayer.
