#5 Not What I Expected (The Mostly Miserable Life of April Sinclair) Laurie Friedman

At first, high school is off to a surprisingly good start for April. She and Brynn are on the dance team. April's almost-cousin Sophie has moved to Faraway. Running into Matt hasn't been as weird as April thought it might be. And then there's her new friendship with cute, quirky Leo. But just as April settles in, her life begins to unravel. Brynn doesn't want anything to do with Sophie. April's mom is busy opening a boutique, and she and Dad are constantly fighting. When events at a party catch April off guard, she feels like life has hit a new low. Is it possible that things can turn around when you least expect it?
