Ben and Wade Beaumont have been away for months driving cattle to their ranch in Montana. When they catch someone stealing food from their chuck wagon, they're stunned to discover it's a beautiful woman. This is no place for a woman alone. Both enthralled with her, they each think she'll make a wonderful addition to their ranch. They offer to wed her. Tory's alarmed to discover they want to share her and even more alarmed that she's even considering it. The two brothers are not what she's used to, and it isn't easy to live in a harsh world she doesn't understand--a world where a man will use whatever other men hold dear in his quest for revenge. ** A Siren Erotic Romance
