The Democrat Party likes to pose as the party of compassion. But where is the compassion in "sanctuary cities" that allow foreign criminals to prey on innocent Americans? Where is the compassion in encouraging envy and lawlessness?

Crystal Wright isn't falling for the liberal con job any longer. A one-time (2008) Obama supporter herself—and now a totally fearless "Conservative Black Chick"—Wright blows the whistle on the Democrat Party and its policies that are destroying America. In *Con Job* you'll learn why Democrat politicians have no problem with inner-city riots; why Democrats so fervently defend Planned Parenthood, how Democrats are remaking America through massive immigration and more.

The 2016 presidential election is set to be one of the most consequential in American history—and Crystal Wright's book is the one you need to help friends and family avoid falling for the Democrat con job yet again.
