## **Nudity** Elyse Cizek

Nudity, the publication debut for Elyse Cizek, is a collection of poetry that illustrates the transformative nature of a woman facing the end of her twenties. Cizek conveys an indelible pursuit of beauty while delving into the struggles of body image, addiction, relationships, sex, and love. She taps into her experience as a model, daughter, and lover to paint a sometimes uncomfortably honest portrait of self-evolution into a new horizon of womanhood while maintaining a sense of humor and comfort.
