Roman Rescue: Who will save the hero? Michelle Gilliam

Maggie has always been a sassy, headstrong southern girl. But running off to Rome, Italy on summer break from college is the most impulsive thing she's ever done. Her brother is in trouble, and she's determined to rescue him- after all, he's the older, wiser, military officer who has never needed her help before. Paul is in a mess with an Italian ex-girlfriend who has cut ties with him...but is pregnant with his child.

Italy sounds like the perfect refuge since Maggie just broke up with her long time boyfriend, and her estranged mother keeps hopelessly trying to reconnect with her. But when she meets Paul's best friend, Marine Sergeant, Luke Seager, he complicates things, persisting to play tour guide and asserting his way into her plans at every chance. Maggie prefers to become a hero on her own, but as she digs into the truth about Paul's problem, danger builds around them. While the tension and mystery grows, so do her feelings for Luke- a man with his own shrouded past.

Nothing is as it seems when Maggie gets more than she bargained until finding out the truth lands Maggie in more trouble than she can escape. Who will save the hero now?
