The Oxford Edition of Blackstone's: Commentaries on the Laws of England: Book IV: Of Public Wrongs

William Blackstone

The Oxford Edition of Blackstone's: Commentaries on the Laws of England: Book IV: Of Public Wrongs William Blackstone

Oxford's variorum edition of William Blackstone's seminal treatise on the common law of England and Wales offers the definitive account of the Commentaries' development in a modern format. For the first time it is possible to trace the evolution of English law and Blackstone's thought through the eight editions of Blackstone's lifetime, and the authorial corrections of the posthumous ninth edition. Introductions by the general editor and the volume editors set the Commentaries in their historical context, examining Blackstone's distinctive view of the common law, and editorial notes throughout the four volumes assist the modern reader in understanding this key text in the Anglo-American common law tradition.

In the final volume of the *Commentaries* Blackstone presents a comprehensive and critical overview of English criminal law and procedure, prefaced by a discussion of the philosophical and basis of the criminal justice system. His final chapter 'On the Rise, Progress, and Gradual Improvements, of the Laws of England' provides a fitting historical conclusion to the work as a whole.
