Walking the Camino Sagrado Michael Chavez

Esteban Barros, a young university student, and Patrick Lujan, a street-wise web designer with a mysterious past, share a mutual affection, but they are continually tested by family torment, declining health, and a horrendous nightmarish history that becomes almost unspeakable. Espousing religious beliefs, a parent selfishly justifies sacrificing their son's life to protect a long-held secret. A businessman entices a high-school teenager with grand promises, only to brutally violate his innocence. Riddled in debt and envious of a relation's good fortune, a self-indulgent conspirator plots a course of betrayal, deceit and fraud. Strong in spirit, Esteban reveals to Patrick the sage philosophy of the Camino Sagrado which directs a blessed path toward discovering life's purpose. Will the insights the two men learn along the way help them to confront adversity and maintain the commitment to their relationship?
