Five Asian boys from London go on a stag do in Ibiza. This book describes their sexy adventures: - The groom gets seduced by a mystery girl - The others get challenged to do some skinny dipping with a group of girls - One goes back to the room of a blonde with big tits - Another spends time with the shy brunette who turns out to have a boyfriend - And the remaining two have a surprising experience of their own Extracts ----  
----- “Oh fuck, oh fuck, oh fuck, fuck, fuck,” she whimpered as she had a mini-orgasm. Her cheeks went fiery red, something I’ve only ever seen in white girls. It’s sexy as hell and a good indicator that you’re doing things right. ----- Then and there under the running shower she kneeled down before me. She gripped my cock in her right hand and looked up at me. There is nothing, nothing, nothing sexier than the glance of a girl kneeling in front of you with your cock in her hand, her mouth half open and water trickling down her massive tits. Apart from when she actually wraps her mouth around the tip of your cock and starts licking and sucking. Her head bobbed up and down my shaft. I was trying hard not to grip the back of her head and push her onto me, but it had to be done. As I groaned that I was going to come she took my cock out of her mouth and directed onto her face. I always thought shooting cum onto a girls face was a porn fantasy. In real life it had always seemed a bit of a demeaning thing to do. But she took it willingly... Even more I think than asking a girl to swallow your cum, splashing it onto her face and her tits, staining her with your seed, somehow marks her out as your property ----- “Do you want me to beg you,” she asked me with an exasperated moan. “Would you?” “I would do anything right now just to get you to fuck me.” “Then yes. Beg me...” “Please, please fuck me!” “What do you want?” “I want you to... I need you to fuck me... hard, now,” she breathed into my ear. “What’s the word?” “Please,” she winced. “No. Too polite. I need you to be more dirty.” I rubbed my hard cock against her but didn’t penetrate her. “Oh for fuck’s sake. I need your big hard cock inside my pussy now.” “Good, you want my brown cock, don’t you? You want it because it’s brown?” I whispered into her ear. “Yes, yes...” “Then say it!” “I want your big hard brown cock in my white slut pussy. Please fuck me, I beg you.” While she was saying that I plunged my penis into her in one firm hard push that took her by surprise. She winced and folded her legs around me as if to ensure that I wouldn’t escape. I was hers now and she wouldn’t let me go until she had got everything she needed. -----  
----- At any point she could have called a halt to it, but she didn’t. In fact, while I was fucking her from behind, she fingered her clit. I grasped one of her dangling little tits. My cock was going in and out of her pussy as I was thrusting against her firm little arse. She moaned that she loved it, that she wanted me, that I felt so big and hard inside her. I reassured her that her tight little pussy felt good and that it felt amazing. She came, with loud high-pitched moans that sounded as if they were escaping her despite her efforts to hold them in. I came and squirted my cum onto her arse. ----- The author ----- PR Dash was born in Mumbai, brought up in London and educated at St. Hilda’s college, Oxford. There she learned a lot about English Literature but even more about boys, girls, herself and human nature. She wrote this book because she enjoyed the latest round of erotic romances for the mass audience, but wanted to write erotic stories for women and men that weren’t about billionaires handing out gadgets and spankings. She wanted to write about sex and race in a way that goes beyond the usual interracial porn fantasies. PR Dash’s other book is the full length novel: Panchali’s Secrets.
