## **Kylie** Sean Smith

KYLIE is a major new biography, telling the life story of Kylie Minogue, a true pop icon, now back on our screens in hit show *The Voice*.

Everybody loves Kylie. No popular figure in modern culture deserves the description 'iconic' more than the star whose name alone evokes more than twenty-five years of memories.

KYLIE charts the incredible journey of a complex and misunderstood woman from the suburbs of Melbourne, who was never the girl next door. She captured our hearts as Charlene Mitchell in *Neighbours* before rising to her position today as a member of music royalty. She is more popular than ever thanks to her acclaimed role as a judge on *The Voice*.

Her phenomenal success was threatened in 2005, when she was diagnosed with breast cancer. The world held its breath as she braved surgery and chemotherapy before she was given the all clear. Her honesty and dignity throughout gained her universal respect and improved awareness of the disease among young women - the Kylie Effect.

KYLIE is the essential book for those wanting to learn more about how she has continually reinvented herself - as teen actress, chart star, creative musician, sex goddess, gay icon, style queen and female role model. It reveals her true loves, the men who have brought her disappointment and those that have helped her achieve the status of most popular female icon of our times.

KYLIE is an inspirational celebration of a star we should never take for granted.
