Millennial Leadership: The Ultimate Management Guide For Gen Y Leaders Kamy Eliassi, Terry Thompson

Up-and-coming millennial business manager Kamy Eliassi and baby boomer leader Terry Thompson team up to write *Millennial Leadership*, a business guide focused on Gen Y leaders and managers.

Eliassi, a higher-up at an international logistics company, is in charge of leading the entire organization—though he realizes he isn't managing to his best potential. His search for a mentor leads him to Thompson, a volunteer mentor who was an executive vice president and general manager at a leading fuel management company in Vancouver, Canada. Thompson's articles on leadership and management fundamentals are combined with Eliassi's relevant leadership insights for the Modern Millennial to help leaders develop an inspiring organizational culture and achieve life balance.

Suggestions and stories combine in this easy-to-understand, concise management guide for leaders at all levels. While specifically focusing on Gen Y entrepreneurs, leaders, and managers, *Millennial Leadership* will inspire all who aspire to lead and manage with greatness.

Thompson's mentoring shows the importance of having someone to show you the ropes, while Eliassi's expertise proves that Gen Y managers can find success and thrive. It's a true example of teamwork and how people from different generations can work together in the spirit of mutual assistance.
