# One Year After (John Matherson)

*William R. Forstchen*

**One Year After (John Matherson)** William R. Forstchen  
[Read by Bronson Pinchot]

The thrilling follow-up to the *New York Times* bestselling novel *One Second After*.

Months before publication, *One Second After* was cited on the floor of Congress as a book all Americans should read, a book discussed in the corridors of the Pentagon as a truly realistic look at the dangers of EMPs. An EMP is a weapon with the power to destroy the entire United States in a single act of terrorism, in a single second; indeed, it is a weapon that the Wall Street Journal warns could shatter America. *One Second After* was a dire warning of what might be our future . . . and our end.

*One Year After* returns to the small town of Black Mountain and the man who struggled to rebuild it in the wake of devastation: John Matherson. It is a thrilling follow-up and should delight fans in every way.
