Walter Hagen

This is Walter Hagen's own story of the two decades when he ruled the golfing world as king. Hagen not only won a major tournament every year for twenty years-a record never even approached by any other golfer-but his personality dominated the game during that period. Before he came along, professional golfers held the status of hired hands. The Haig was the man who crashed the front door of the clubhouses, and he brought along with him the entire fraternity of golf professionals. This book is a volume in Sports Media Group's Rare Book Collection. Collecting this series of reprint editions of golf's most important and rare books will enhance your understanding of the game while building a library of golf's most treasured volumes.
