Violin Star is a three-book series offering beginner violinists a refreshing and inspirational choice of pieces to help build confidence and musical skills. The repertoire is imaginatively tailored to develop specific techniques through an exciting range of musical styles. This Student's book contains the solo violin parts, along with colourful illustrations, activities and a playalong CD. The Accompaniment book, available separately, includes piano and violin accompaniments for every piece. Key features of the series include: an approachable progression from beginner level to Grade 2; playalong CDs with each Student's book, which contain specially created instrumental arrangements to convey style and mood; and original compositions and arrangements by Edward Huws Jones.
