Do Frogs Fly? (Animal Flappers Books) Moira Butterfield

Frogs certainly do not fly, but when kids look at the picture, then lift the bright red "flower flap," they discover butterflies--and they do fly! The picture's surprise flap is a cloud that hides birds. They fly, too! Do jellyfish jump? Do sheep dive? Kids will find these and more questions as they turn this book's pages. With bright, cheerful illustrations, a lively text, and laugh-producing flaps for toddlers to lift, *Animal Flappers Books* ask questions and reveal answers behind each illustration's amusing flaps. Two delightful play books are filled with fun for preschool boys and girls. They treat kids to a display of funny animals, silly questions, and a set of two flaps on every two-page spread. Each question's answer is hidden behind one flap, and a funny surprise second answer is hidden behind the other. Each book presents six sets of animals with their questions.
