## **Drop Zone** Michael Salazar

In the pulse-pounding tradition of W.E.B. Griffin and Richard Marcinko, here is a pure adrenaline skydive into enemy territory — a top-notch military adventure written by an Air Force Combat Crewmember who knows firsthand what awaits in the **Drop Zone**.

Among the U.S. Special Forces' most valued troops are the Air Force's Pararescue Teams — "PJs" who drop out of C-130s or HH-60G Blackhawks into places no one else can reach, to retrieve the wounded, the dying ... and the secrets their government will kill to uncover.

Outfitted with the military's most sophisticated equipment, Master Sergeant Jason Johnson is one of the nation's best pararescue jumpers. Now he's been teamed up with a hotshot Marine for his most perilous mission yet.

Johnson must drop behind enemy lines in war-torn Bosnia to find and retrieve evidence of a horrifying war crime: the ethnic cleansing of five thousand civilians through the use of a deadly nerve toxin. But from the moment they leap into the swirling Balkan darkness, Johnson and his partner enter a landscape of unspeakable destruction and despair — and a mission that goes wrong in every conceivable way.

On a race through enemy territory, Johnson is stripped of every means of survival — and only a miracle will bring him out alive....

### **From reader reviews:**

#### **Byron Sierra:**

What do you consider book? It is just for students since they're still students or this for all people in the world, what the best subject for that? Just you can be answered for that question above. Every person has diverse personality and hobby for every single other. Don't to be pushed someone or something that they don't wish do that. You must know how great as well as important the book Drop Zone. All type of book would you see on many options. You can look for the internet sources or other social media.

#### **Luciana Findley:**

Nowadays reading books are more than want or need but also turn into a life style. This reading behavior give you lot of advantages. Associate programs you got of course the knowledge your information inside the book this improve your knowledge and information. The information you get based on what kind of guide you read, if you want get more knowledge just go with schooling books but if you want truly feel happy read one having theme for entertaining including comic or novel. The Drop Zone is kind of book which is giving the reader unforeseen experience.

#### **Kristi Jones:**

Reading a book to be new life style in this calendar year; every people loves to read a book. When you go through a book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you want to get information about your analysis, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, and also soon. The Drop Zone will give you new experience in examining a book.

#### **Lily McDermott:**

Is it anyone who having spare time after that spend it whole day by simply watching television programs or just lying on the bed? Do you need something new? This Drop Zone can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your extra time by reading in this brand new era is common not a geek activity. So what these textbooks have than the others?
