SCREENWRITERS NOTEBOOK

Specially design for Screenwriters, Directors, Writers, films students and filmmakers. It is a simple but yet very important notebook to write movies and keep track of ideas (including a template with Act 1,2,3, and Characters as a logbook).

This is NOT a literature book to learn screenwriting OR to write an entire story. It is design for Screenwriters that are already working in a script and wants to keep track of the NEW ideas for future stories.

The notebook has 100 pages in laminated paperback cover with glossy finish (8.5x11).

"I found myself losing ideas because I had so many notebooks. If I wanted to go back to a character or a story I had created years ago it was almost impossible. This notebook helps you keep track of more than 50 different ideas that I'm sure you will create over the years." JSV designer.
