Merline Pitre

Through Many Dangers, Toils and Snares: Black Leadership in Texas, 1868-1898 (Sara and John Lindsey Series in the Arts and Humanities) Merline Pitre

Through Many Dangers, Toils and Snares, originally published in 1985, was the first book to make an in-depth examination of the cadre of African American lawmakers in Texas after the Civil War. Those few books that addressed the subject at all treated black legislators *en masse* and offered little or nothing about their individual histories. Early scholars tended to present isolated events of the violence and political deterrents inflicted upon black voters but said very little about how these obstacles affected black lawmakers.

Author Merline Pitre has departed from this traditional method and relied upon the untapped original materials found on these black lawmakers. This third edition features a new preface and extended, updated appendixes, ensuring that this study will remain useful to political scientists, sociologists, and historians of Texas political history, Afro-American history, and revisionists of Reconstruction.
