Whistleblower!: And darn proud of it! Terry Mallenby

The author is a Whistleblower and darn proud of it! He'd much rather be a Whistleblower ... Sometimes the truth does come out ... "After the event, the Mounties all gave similar statements about how Dziekanski had come at them, yelling and wildly swinging the stapler, and how several officers had to wrestle the man to the ground."1 However, a video proves the RCMP officers outright lied! A witness's video of the event showed none of that happened ... if not for the video, they might have got away with whitewashing what the judge called the force's "shameful" conduct in the events that led to an innocent man's death.2 1 - 2. Inquiry deservedly hammers RCMP in Dziekanski death. By Paul Schneiderit, The Chronicle Herald, Tue.
