100 Great Things about Texas Glenn Dromgoole

Here is a delightful gift book for the Texans, former Texans, even non-Texans on your list. It's not a travel guide and not exactly a Texas brags book. Rather, it's a celebration of 100 subtle and not-so-subtle, serious and not-so-serious things that make Texas the special place that it is.

This entertaining and inexpensive little book consists of one thought per page, such as:

-When you tell someone from another state or country that you're from Texas, it invariably causes a reaction. Sometimes positive.

-We don't talk funny. Everybody else does.

-If Texas isn't the biggest or best in whatever field or activity, we can sure make it sound like it is.

-You can tell a place that serves great chicken fried steaks by the number of pickups parked outside.

-Texas was once an independent nation, and most of the time we act like it still is. -Statistically, we are an urban state. In spirit, we aren't.

-If you run out of anything else to talk about, there's always the weather.

Compiled by State House Press Managing Editor Glenn Dromgoole, *100 Great Things* about Texas is intended as an impulse buy or stocking stuffer at book stores, gift shops, and souvenir outlets.
