Allen Ruppertsberg Sourcebook

In 2011, Independent Curators International (ICI) launched *Sourcebook*, a new publication series with a focus on artists and their practice, offering a fresh perspective on political and cultural issues impacting and inspiring the artistic process. Each volume is edited by an artist, from a selection of his or her own archive, and is comprised of images, documents, articles, letters and newspaper clippings. For the second *Sourcebook* in the series, ICI has invited conceptual artist Allen Ruppertsberg to cull his archives, stored between his family home in Cleveland and his studio in Los Angeles. Articulated around nine important works spanning the breadth of the artist's practice from 1978–2012, the publication delves into the primary material that Ruppertsberg uses as his medium: popular culture ephemera, newspapers, magazine covers, snapshots, home movies, educational slides, advertising and posters. This material becomes the visual registry that is reconfigured in numerous Ruppertsberg projects.
