## **Aren't We The Lucky Ones: A Story Of Acceptance For Those Of Us Who Understand That There Is No Free Will** Secretary Michael

Realizing that there's no free-will can be horrifying and disorienting. It can also be a gateway to peace and acceptance of others. This is the story about a group of science students who face their understanding of determinism and try to make the best of it. They form a community (the Machinists Union) and put their insights into action. This easy-to-read book brings beauty and hope to a sometimes ugly and hopeless subject. This book was used as the background story to the musical "Twimfina".
