High Way from Hell: Using Emotion to Fan the Fire of Enlightenment Moonstone Star White
Winner of 8 national book awards, High Way From Hell offers the next step in the evolution of global consciousness. With her uncanny way of weaving together ideas in ways that awaken experiential recognition, Moonstone Star White beckons you to journey inward and discover your secret source of power. With a vision both intimately personal and significantly global, High Way From Hell outlines the blueprint for greater happiness you were born with. It is right there within you, in front of you and all around, waiting for you. It is a revelation, yet so obvious you may wonder why we all haven't noticed it staring us in the face. High Way From Hell unblocks the floodgates to sharper intuition. This life-changing read transforms toxic emotion into ashes that fertilize the soil of new growth. It plants seeds that ground us in the compassionate awareness of individual differences, and empowers by giving us courage to shine the light of authenticity. High Way From Hell is both poetic and reassuring, yet it does so by challenging the foundations of our assumptions. One thing is for certain. You will not look at the world in quite the same way after reading it.
