Juan Montoya Juan Montoya, Elizabeth Gaynor

Always on the cutting edge, Juan Montoya's work exudes refinement and simplicity. Each of his designs features an exquisite juxtaposition of textures, colors, and volumes; an attention to scale, lighting, and spatial qualities; and objects that reflect an interest in a variety of cultures. In addition to creating beautiful, eclectic rooms, these underlying principles have strongly influenced contemporary design.

A truly original thinker, Montoya is not wedded to a particular style or period. With a background in architecture, he has developed a remarkable understanding of space and how best to fill it; he believes the careful placement of objects can, and should, enhance a room's space and scale.

This oversized volume features twenty-five recent projects, all illustrated with striking color photographs. Sumptuous interiors range from a yacht to apartments and houses in New York, Florida, Connecticut, and Paris to showhouses and commercial interiors.
