Seniors & Beginners II: Easy to Moderately-Difficult Illustrations (Volume 2)

Mr. Jack R. Plaxe Sr.

Seniors & Beginners II: Easy to Moderately-Difficult Illustrations (Volume 2) Mr. Jack R. Plaxe Sr. This book is a sequel to our very popular book “Seniors & Beginners,” which was published in December 2015. The need for an elementary coloring book became apparent from comments posted by colorists on Facebook and various other forums. Our research tells us that beginners want illustrations that allow them to gradually develop their coloring skills without the anxiety created by overly challenging illustrations, and that seniors want illustrations ideally suited to their levels of dexterity. And, both beginners and seniors want to express their artistic creativity and enjoy all of the psychological benefits of coloring without feeling challenged by the overly-intricate illustrations found in many popular adult coloring books. This book has an eclectic mix of illustrations that range in difficulty from easy to moderately-difficult. It is our hope that this variety of illustrations will provide you with many hours of coloring pleasure.
