The Green Book: Form of Contract, Reimbursable Contracts - IChemE Contracts Working Party

The revised third edition of the Green Book is based on the same philosophy established in the Red Book, of co-operation between parties to achieve the mutual objective of a successful project. It follows the same project execution structure as the Red Book fourth edition whilst incorporating the particular cost and payment elements of a reimbursable contract.

IChemE, the Institution of Chemical Engineers, is the center for chemical, biochemical and process engineering professionals worldwide.

We are the heart of the process community, promoting competence and a commitment to sustainable development, advancing the discipline for the benefit of society and supporting the professional development of members.

Some of the areas we publish in include:

- Safety in the process industries - the BP Process Safety series
- Consultancy for chemical engineers
- Project management in the process industries
- Contract management in the process industries - International Forms Of Contract series
- Communication skills for engineers
