The Selected Writings of Friedrich Nietzsche

Friedrich Nietzsche

The Selected Writings of Friedrich Nietzsche Friedrich Nietzsche

Collected here in this omnibus edition are three of Nietzsche's three most important books: *The Anti-Christ*, *Beyond Good and Evil*, and *Thus Spake Zarathustra*, as well as *The Philosophy of Friedrich Nietzsche* by Henry Louis Mencken. A perfect book for new readers of Nietzsche or anyone hoping to understand his writing and philosophy more thoroughly. *The Philosophy of Friedrich Nietzsche* by Henry Louis Mencken was the first, and many believe the best book on the subject. Mencken was known for his attention to detail. This book is a must read for anyone who wishes to understand Nietzsche and his underlying philosophy. *Thus Spake Zarathustra* is a masterpiece of philosophical literature, and it is here that Nietzsche uttered the famous phrase "God is dead!" This powerful book spells out Nietzsche's belief in the will to power, and serves as an introduction to his doctrine of eternal return. One of the most influential books of philosophy ever written. Nietzsche writes with style, power, and conviction. In *Beyond Good and Evil*, Nietzsche attacks past philosophers for their alleged lack of critical sense and their blind acceptance of the Christian premises in their consideration of morality. The work attempts to move "beyond good and evil" in the sense of leaving behind the traditional morality which Nietzsche subjects to a destructive critique in favor of what he regards as an affirmative approach that fearlessly confronts the perspectival nature of knowledge and the perilous condition of the modern individual. Here is Friedrich Nietzsche's great masterpiece *The Anti-Christ*, wherein Nietzsche attacks Christianity as a blight on humanity. This classic is essential reading for anyone wishing to understand Nietzsche and his place within the history of philosophy.
