The Word and Song Bible Stephen Elkins

Children under the age of 10 will find the stories and characters of the Bible more vivid and memorable when they hear them in the recorded voices and sounds of *The Word and Song Bible*. When God creates the heavens and earth in Genesis, children can hear the thunderclap, the roar of the oceans, and the twitters and cries of the newly created animals. Meanwhile, children will read along in their colorfully illustrated books. God's voice, performed by Dr. Lloyd Ogilvie, is a traditional interpretation, sounding more like a booming Zeus than a gentle spirit. Some may recognize the voice of Jerry Falwell as the Apostle Matthew. Christian pop music artist Twila Paris poses as the enchanting voice of Eve.
