It is the early 2000s, a time of great upheaval whether it be the coming of the new millennium, 9-11 or an ever growing gap between the world's Haves and Have Nots.

Yet, through various journeys, the poet is uplifted by the constant discovery of earnestness, love and the unwillingness of good people to rest.

Spanning three years worth of work in which the poet periodically travelled the 3 continents of Asia, Europe and North America, Unfinished Glory Unedited Hope is dedicated to all believers who pursue their hopes and aspirations no matter the obstacles as well as those helping others realise their dreams.
