## Ancient Serpent Gods: The Alien Connection to Reptilian Dinosaurs B. E. Lewis

*“B.E. Lewis offers some of the most compelling evidence ever presented by an author on the gray and reptilian presence. We can’t ignore that something inexplicable has happened to millions of people who claim to be abducted. Are we dealing with invisible beings like the Jinn, extraterrestrials, dimension beings or terrestrial beings that have lived on Earth for millions of years? Finally, a new theory!” — Ann Druffel, bestselling author of *How to Defend Yourself Against Alien Abduction* and *The Tujunga Canyon Contacts**

Thousands of people vanish each year. Have they been abducted by reptilian beings that have lived inside our planet for millions of years? Have they altered our DNA? Is this why ancient worldwide civilizations worshiped serpent gods? Discover why Dulce Base security officer Thomas Castello, Dulce geologist Phil Schneider and CIA Pilot and Area 51 engineer John Lear tried to warn us about the reptilian underground presence.

This original book, *Ancient Serpent Gods* by B. E. Lewis, deals an astounding blow to all our preconceived notions of human and dinosaur evolution. Did a species of dinosaurs actually survive an extinction event 65 million years ago, did humans exist with them, and did they possess nuclear warfare millions of years ago? Has Earth always been dominated by an intelligent dinosaur known to ancient civilizations as Serpent Gods? Discover how ancient texts describe nuclear wars, serpent gods and how they mated with human women. Did they genetically create Homo sapiens and other Earth species? Now Lewis offers compelling evidence the dinosaur didn’t vanish, but evolved into what millions of abductees identify as Gray and Reptilian aliens. Witnesses and abductees tell of hybrids in underground bases, humans used for experimentation, and grays and reptilians who work with our military and governments in secret. Could abductions by these gray/reptilian beings account for thousands who have vanished without a trace? If so, this could be the greatest secret of all time, the one that has been kept from humanity for eons: Serpent Gods are TERRESTRIAL, not extraterrestrial and have controlled us for eons.

This book will challenge your beliefs on religion, evolution, aliens and UFOs and their agenda for humanity. Are you ready for the shocking truth?
