Damien Hirst: Relics

Damien Hirst: Relics

Relics constitutes the new and largest ever retrospective of Damien Hirst's work, including both iconic, and previously unseen artworks, spanning 27 years of the artist's career. If you own one book on the work of this artist, this is the latest and most comprehensive. For the first time Hirst's two diamond skulls, "For the Love of God" (2007) and "For Heaven's Sake" (2008), are pictured together. Explaining, "art's about life and it can't really be about anything else ... there isn't anything else," Hirst's work investigates and challenges contemporary belief systems, and dissects the tensions and uncertainties at the heart of human experience.
