This revised eleventh edition of the comprehensive guide to all kinds of work abroad provides essential information on permanent career opportunities around the world for people of all walks of life from school leavers to fully qualified professionals. There are opportunities overseas for teachers, doctors, nurses, journalists, computer operators, translators, engineers, secretaries, and many more. The Directory of Jobs and Careers Abroad lists the professions and trades in demand overseas and gives all the facts on over 35 different specific careers with detailed information on recruitment and sources of jobs including consultants, agencies, professional associations, advertising, the internet, etc. In addition there are individual chapters presenting career opportunities in 50 countries, with information on immigration and residency, cost and standard of living, health, welfare and education, and employment prospects. Also included are listings of hundreds of overseas subsidiaries of international companies and a comprehensive index of employers and agencies.
