*M. That's what I'd like you to call me please. I'll tell you why later.*

Welcome to M's world. It's tipsy-turvy, sweet and sour, and the beast of anxiety lurks outside classrooms ready to pounce. M just wants to be like other teenagers her age who always know what to say and what to do. So why does it feel like she lives on a different plane of existence to everyone else?

Written by the students of Limpsfield Grange, a school for girls with Autism Spectrum Disorder with communication and interaction difficulties, *M is for Autism* draws on real life experiences to create a heartfelt and humorous novel that captures the highs and lows of being different in a world of normal.
