Suzanne's tale is told in the form of diary entries however it is much more a biographical endeavor for Suzanne as she recounts how she came to a turning point in her life. She starts with recollections from her childhood and on through school as a schoolmate introduced her into interracial sex. This incident led to her being ostracized by many of her peers, both white and black, especially black females.

Suzanne is a white woman who has never been with a man of her own race. As she reaches the beginnings of middle life, she sees no reason to start now. The story is about a white woman's lust for big black men to obtain satisfaction. Maybe she has met the right one.

Parts of the story are funny, some parts are sad and some are just fun to hear of all her adventures as she matured to her middle years. One thing is for sure she lives life the way she wishes to live it and isn't about to change.

Content Warning: This story is intended for mature readers who will not be offended by graphic depictions of sex acts between consenting adults.
