The Same Earth Kei Miller

From the WINNER OF THE FORWARD PRIZE FOR BEST COLLECTION 2014, a 'humorous, bittersweet fiction, combin[ing] the fantastical realism of Marquez with the domestic comedy of Andrea Levy' *INDEPENDENT*

It all begins with the theft of Tessa Walcott's panties...

After the hurricane of 1974, Jamaica is devastated. Imelda Richardson is sent to England, without a place to stay or a plan of what to do. Luckily she is taken in by Purletta Johnson, a member of the ex-pat bourgeoisie who has decided to become more Jamaican than any Jamaican: sucking her teeth, sporting a gold tooth, and growing ganja on her balcony.

But when her mother dies Imelda returns to Jamaica. When Tessa Walcott's panties are stolen, she and Imelda set up a Neighbourhood Watch. But they haven't counted on Pastor Braithwaite who denounces them in Church. The church-goers turn on Imelda, and when the river suddenly floods her home it is seen as a punishment from God. A Pentecostal fervour sweeps through the village of Watersgate, fuelled by Evangelist Millie. In her last great crusade, Miss Millie organises 'fire to burn their sins away', equipping the villagers with kerosene as they set about burning everything. Now they are marching on the gay man's house and only Imelda can save him.

From reader reviews:

Christine Scott:

The book The Same Earth can give more knowledge and information about everything you want. Why must we leave a good thing like a book The Same Earth? A number of you have a different opinion about e-book. But one aim this book can give many info for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or info that you take for that, you may give for each other; you could share all of these. Book The Same Earth has simple shape however, you know: it has great and big function for you. You can appear the enormous world by open and read a e-book. So it is very wonderful.

Florence Davis:

Information is provisions for folks to get better life, information today can get by anyone on everywhere. The information can be a know-how or any news even restricted. What people must be consider any time those information which is within the former life are challenging to be find than now is taking seriously which one would work to believe or which one the resource are convinced. If you find the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take The Same Earth as your daily resource information.

Joshua Stpierre:

Spent a free time to be fun activity to try and do! A lot of people spent their down time with their family, or all their friends. Usually they accomplishing activity like watching television, about to beach, or picnic within the park. They actually doing same task every week. Do you feel it? Do you wish to something different to fill your own free time/ holiday? May be reading a book is usually option to fill your totally free time/ holiday. The first thing that you'll ask may be what kinds of guide that you should read. If you want to consider look for book, may be the e-book untitled The Same Earth can be great book to read. May be it may be best activity to you.

Carl Terrell:

This The Same Earth is great guide for you because the content which is full of information for you who else always deal with world and possess to make decision every minute. This kind of book reveal it facts accurately using great coordinate word or we can state no rambling sentences within it. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only will give you straight forward sentences but challenging core information with splendid delivering sentences. Having The Same Earth in your hand like having the world in your arm, information in it is not ridiculous just one. We can say that no book that offer you world in ten or fifteen tiny right but this guide already do that. So , this is good reading book. Hey Mr. and Mrs. busy do you still doubt which?
