Some discoveries are better left unmade.

Peter thought he was done with grave robbing, but when a former business partner lures him out to Dungarradh, a small Scottish island with a big secret, he finds himself waist deep in more than local folklore. Is the disappearance of his teammate truly the work of the legendary fae, or is a sinister force at play? A brand-new tale of dark fantasy and horror, from the bestselling author of WHAT HIDES WITHIN and SEEING EVIL.
