## **Bigfoot 4: The West Virginia Footprint** George Dudding

In this book, the author, George Dudding, discusses why Bigfoot has chosen to settle in West Virginia and continues his previous three books by digging up more interesting tales from sources who continue to come forward and tell stories of their encounters with the elusive monster. Many West Virginia witnesses begin as nonbelievers and then become converted to devout believers once they witness the monster for themselves. Read and decide for yourself as to whether Bigfoot is real, folklore or hoax.
