This book shows you how, even with a tight budget and limited space, you can foster "maker mentality" in your library and help patrons reap the learning benefits of making—with or without a makerspace.

- Offers librarians creative ways to become involved in the exciting maker movement and encourage maker mentality among patrons
- Presents an approach through which any library, no matter their size or budget, can participate
- Speaks to all ages, experience levels, and educational levels
- Fills a gap in the literature by providing libraries with limited resources the means to offer maker opportunities
