This book helps congregations learn how to make decisions in healthy ways--focused on God's purposes, and growing in love and truth. Sally Weaver Glick approaches congregational discernment as a process of hearing and entering God's song. Discernment is what we do to distinguish between God's music and our own static and noise. Good discernment, says Weaver Glick, lets God's song sing through us and shape us, so that we can join in harmoniously, responding to God's love and mercy.
