Large Print Number Search Volume 2 - Mom Approved!

After my mom gave her approval on our first Large Print Word Search book she mentioned (with a wink in her eye) that she also enjoys search puzzles that use numbers instead of words.

Knowing mom's wink as only a son can I turned to the team and asked them to make a number search puzzle. Once more my mom and I were thrilled with the result...

- Each puzzle is full-page and extra-large with the number clues conveniently located at the bottom.
- Each puzzle grid is 15 X 15 and contains 20 number clues that are 8 digits long.
- The answers are located in the back.

Just do a "Look Inside" to see how large the puzzles and answers are!

Like our Word Search books my mom loved our new number search puzzle book but said because it was number based it was a little more challenging than a traditional word search. Order yours now!
