Celia Alexander assumed she had faced the ultimate test of faith when her husband, Khalil, went to prison, and she's still trying to get her life back to normal in spite of her inability to forgive him. When she discovers that her husband is somehow connected to the disappearance of a young girl in Detroit, Celia soon discovers evil has no boundaries. She revitalizes a search that may be more than she can handle. Khalil Alexander may be incarcerated, but he is far from confined. He has created an unusual business operation to feed his disturbed mind and fund his quest to be released. With a family in turmoil, their daughter, Kaleia, hides her pain like a well-worn diary. The troubled sixteen-year-old heads down a destructive path, invisible in plain sight. While mysteries unravel and truths are unveiled, Celia learns that her family's peace will depend on faith and wisdom.
