Trace Elements of Random Tea Parties: A Novel Felicia Luna Lemus

Leticia Marisol Estrella Torrez, a university honors graduate, moves north to Los Angeles in an attempt to break from the traditional grandmother who raised her and from Weeping Woman, the Mexican folkloric siren who is said to fly through the skies at night to steal troublesome children and who has courted Leticia since her adolescence.

In Los Angeles, Leticia is quickly immersed in the post-punk, post-Queer hipster scene, and after a short-lived affair with the devastating Edith, Leticia meets K, a tall, dark and handsome Old Spice-wearing lovely from Philadelphia. K and Leticia tumble into "candy heaven" bliss, with, to Leticia's amazement, her nana's blessing. As her confidence in herself and her own sexuality grows, Leticia moves toward an identity that K refers to as "shy bookworm sweater femme boy"-- only to have her newfound happiness brutally shattered by Nana's sudden illness and by the disturbing discovery that K is not as trustworthy as she seems.

Vividly wrought, heart-breaking and compelling, *Trace Elements of Random Tea Parties* is a wonderful debut from Felicia Luna Lemus.
