## **With Every Heartbeat (Forbidden Men) (Volume 4) Linda Kage**

\*New Adult Romance\* \*\*Explicit Scenes and Language\*\* I used to think everything was black and white, truth or lie, easy or hard, that if I could just escape my strict, overbearing, abusive father, my life would be perfect. But since I've found a reason to risk his wrath and leave, to help a friend in need, I've come to realize everything I thought I knew is wrong. Friends have their own agenda, honesty comes with a dosage of lie, easy doesn't even exist, keeping secrets sucks, and love...love is the most painful thing of all. Maybe if Quinn Hamilton hadn't asked me to skip classes for the day and help him pick out an engagement ring for my best friend, I wouldn't have fallen for him so completely on that sunny Tuesday afternoon and I wouldn't feel so conflicted. But I did, and I can't take it back, no matter how hard I try. So I have to deal with the fact that even I'm not as good, or honest, or caring as I'd always thought I was, and no matter what I do next, someone's going to get hurt. Probably me. -Zoey Blakeland
