BCBA Reference Manual (TrainABA Supervision Curriculum) (Volume 1) Benjamin Theisen

The Reference Manual organizes existing BACB guidelines for supervision, presenting a face sheet for each 4th Edition Task List item with headings for Definitions, Examples, Assessment, Relevant Literature, and Related Lessons. The book includes supplemental materials for clinical and administrative ABA managers (i.e., in-depth case study, charts, best practice). BCBA supervisors and BCBA-exam candidates keep a copy in the office and bring it to clinical meetings to reference task list items for interventions, recommended literature, and supervision questions.
