Christ Alone

Christ Alone Rod Rosenblatt

In our postmodern, pluralistic world, there are plenty of genuinely spiritual people who consider Christ *a* way to heaven, or even *their* way to heaven, but who refuse to acknowledge Him as *the* one and only way for everyone.

In their estimation, anyone who stresses an exclusive, saving faith in Jesus Christ is at the least intolerant and, at worst, completely ignorant. Yet as Rod Rosenblatt shows in this booklet, there are numerous evidences that support the centrality and exclusivity of Christ. He draws on these here to affirm that even in the face of sophisticated theological attacks, God's Word--and Christ's unique claims--still hold true.

In defending *solus Christus* Christians need not disregard the noble words or deeds of unbelievers throughout history. But there is One whose words and works stand far above all others, and whose entire existence proved His exclusive claims. And He deserves not only our worship, but our witness before a lost world.
