Finally, a book that addresses not only the physical process of creating an inspirational, self-help, or personal development book, but the emotional and spiritual hurdles that block writers from following their dreams and finishing their books!

*The Art of Inspiration* is no ordinary writing how-to or reference book, but rather an energetic companion guide for writers of all experience levels! It not only addresses the physical process for creating an inspirational, self-help, or personal development book, but actually teaches you to think, feel, and create like an inspired writer!

*The Art of Inspiration* will walk you through the entire book creation process, from your first "divine download" to your final draft. Along the way, you'll learn how to:
