Evaluating Palliative Care: Establishing the Evidence Base (Oxford Medical Publications) (Paperback) - Common

By (author) Margaret Robbins

Evaluating Palliative Care: Establishing the Evidence Base (Oxford Medical Publications) (Paperback) - Common By (author) Margaret Robbins

This book examines the methodological issues in the evaluation of palliative care, and outlines a practical approach to palliative care evaluation that is readily applicable to many other health care interventions. It describes the current status of palliative care research and covers a vast amount of literature.
