In the spring of 2010, approaching the season of Lent, I went on a journey to find the one true God. I became convinced that God could hear me, and see me, and that He would give me a sign that He was there. I held the faith that if I humbled myself before God--seeking Him diligently--He would reveal Himself to me. It was amazing! For the first time in my life I heard the voice of the Lord, but nothing could have prepared me for what happened next. This book includes:

- * Messages from God for the world and His people
- * An introduction to my fleet of angels by name along with their assignments
- * In depth conversations with the angels Gabriel, Michael, the angel of death, the angel who stands at the gates of Hell and many more
- * Prayers to help you through difficult times
- * Formulas to use to unlock the power of Jesus Christ in your life

After reading this book you will come to realize that with God, you are stronger than you think you are. You are important to the body of Christ, and that fleet of angels all around you is proof that God has called you to be great. Answer the call.
